

Les Petits Soleils^{Inc.} Preschool

November News – Année 1A

We have had a wonderful first two months with our students and we can already hear some of them using the French that we use in class, which is very exciting. Our students have fallen into the routines very well and are a pleasure to teach.

Un petit rappel / Gentle Reminders

1. As we are now moving into our third month of school, we recommend that you create a new cup bag for your child, if you haven't already done so. Over the year, if you require more labels, please let us know.
2. Please be sure to wash out your child's cup and bag after each class.
3. Preschool is closed November 12 - 16.
4. Your kindest compliment to the preschool is to remind your friends of our Open House on Wednesday, November 21st, 6:00 – 7:30pm!

Ce qu'on apprend / What we're learning

This month we are learning about transportation (le transport). The colour of the month is purple. Remember that you can help yourself to our fun alphabet pages (on our preschool bulletin board) in order to work with your child at home to supplement classroom learning, should you wish. Below is some of the vocabulary that we will be learning throughout the month.

Le mois de novembre (the month of November):

Le thème: le transport
(transportation)

- Un avion (airplane)
- Un train (train)
- Un bateau (boat)
- Un autobus (bus)
- Une voiture (car)
- Une bicyclette (bicycle)

La couleur: violet (purple)

- Colour a picture only using violet.
- Can you see anything outside that is violet?
- What is violet at your house?

L'alphabet: A, I, T

- Are any of these letters in your name?
- Can you write these letters?
- Look for these letters when you're out with your family.
